## Letter from the Director Jeanine Guy:

Overweight is a serious health concern for children and adolescents. Overweight children and adolescents are at risk for health problems during their youth and as adults. For example, during their youth, overweight children and adolescents are more likely to have risk factors associated with cardiovascular disease, such as high blood pressure, high cholesterol and type 2 diabetes, than are other children and adolescents. Overweight children and adolescents are more likely to become obese adults. For example, one study found that approximately 80% of children who were overweight at ages 10-16 years were obese adults at age 25 years.

Experts say that kids need at least 60 minutes of physical activity every day to feel good about themselves, have fun together and adopt lifelong habits for healthy living. Our vision is to increase the number of youth participating in at least 60 minutes of quality physical activity daily through programs and opportunities before, during and after the school day.

As you look through this brochure, you will find many opportunities for kids to participate in programs that are fun, safe, and provide the physical activity necessary for a healthy lifestyle. There are many summer programs being offered that will keep kids busy during the summer, provide an alternative to TV and videogames, give kids an opportunity to meet new friends and provide physical activities each day. We are also offering many opportunities for adults to learn a new skill, develop a special interest, join an exercise class, participate in a book discussion or increase computer skills.

Come join us for a summer of fun, learning and activity!

## Instant Guitar for Hopelessly Busy People

Have you ever wanted to learn the guitar but simply find it difficult to find the time? In just a few hours you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Bring your acoustic guitar.

## Instant Piano for Hopelessly Busy People

Some music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. Total beginners can request a free pamphlet by sending a SASE to Innovative Keyboard Instruction, 2841 S. Southwind Dr., Gilbert, AZ 85296.

# Outdoor Programming

## HIKE-IT ADVENTURES- Get out of the Summer Heat for a Great Hike

Do you want to experience the great outdoors? Cy Newell is a trained guide who has selected a series of spectacular water hikes for beginning, intermediate, and advanced hikers.

### West Clear Creek– Flagstaff

This trail provides only marked and maintained access to the lower reaches of West Clear Creek Canyon Wilderness. From its western terminus at Bull Pen Ranch at the canyon mouth, the trail leads upstream into the deep, narrow gorge which medium-sized West Clear Creek has cut into the southern edge of the Colorado Plateau. This trail winds its way downstream along a stretch of secluded pools and rocky riffles tucked away between red rock canyon walls.. In the middle of a hot desert summer, you'll appreciate the opportunity to cool off.

**Date:** Saturday, June 9  
**Hiking Time:** 4.5 hours  
**Level of Difficulty:** Easy/Strenuous  
**Elevation Gain:** 1,800 feet  
**Distance:** 7.5 miles  
**Fee:** \$15

### Parson Spring - Clarkdale

Dropping 200 feet in the first 0.1 mile, the Parsons Trail levels off once it reaches the creek bed below. It then remains level as it follows the canyon bottom for the rest of the way. Featuring a perennial flow of water, the first four miles of the canyon include a wonderful collection of deciduous trees, sycamores, cottonwoods, and Arizona walnuts to name a few. Fed by springs, the creek forms pools along the way providing dazzling reflections of the verdant canopy above.

**Date:** Saturday, July 14  
**Hiking Time:** 4 hours  
**Level of Difficulty:** Easy  
**Elevation Gain:** 3,600-3,800 ft.  
**Distance:** 7.4 miles round trip  
**Fee:** \$15

### Woods Canyon Lake Trail - Payson

Woods Canyon Lake is charged by East Chevelon Creek behind a dam constructed in 1956. It is the most popular of the Rim lakes, so you'll find the area crowded in the summer. But you can escape the masses by hiking in the scenic, cool, somewhat rocky, five mile trail that runs along the forest encircling the lake. By the time you get to the other side, all you'll hear is the whoosh of the line from an optimistic fisherman casting for that special trout.

**Date:** Saturday, August 25  
**Hiking Time:** 4 hours  
**Level of Difficulty:** Easy  
**Elevation Gain:** 60 ft  
**Distance:** 5 miles round trip  
**Fee:** \$15

#### HIKE INFORMATION

Participants taking part in day hikes are required to bring: two quarts of water per person (minimum), a sack lunch, day pack to carry lunch, hiking shoes, and appropriate clothing. Pre-registration is required. Youth under 18 years of age **MUST** be accompanied by an adult. Hikes include an educational adventure. Hikes are limited to the first 10 people registered. Transportation is not included. It is the responsibility of the participant. For more information on day hikes, including times, call Hike Guide Cy Newell at 602-686-0385 between 4pm-8pm.

I/we hereby release and forever discharge the Town of Buckeye, an Arizona municipal corporation, its elected and appointed officials, directors, officers, boards, commissions, agents, representatives, servants and employees, and any and all other persons, firms or corporations who are or might be liable from any and all claims of any kind or character which I/we have or may have against them due to my participation, or my child's participation, in a Town of Buckeye recreation program. The waiver includes all damages, losses, costs, expenses, and injuries that allegedly occur during the course of the recreation program. In that regard, I/we consent to indemnify, defend and hold harmless to the fullest extent permitted by law the foregoing persons and entities from any loss or damages, including reasonable attorney's fees and litigation expenses, which may be incurred by them in the event any such claims are asserted against them or any of them. I/we understand that medical claims are my/our responsibility. I/we give permission for my child to be video taped or photographed by the Town of Buckeye employees to be used at the site for activities and for any program advertisements for the Town of Buckeye. This waiver does not extend to any such claim or liability that is caused by the sole and exclusive intentional acts or gross negligence of the Town of Buckeye, its officers, employees, or agents.
